

Camila Cabello - Beautiful (feat. Bazzi)

Tom: C

Hey
 Beautiful, beautiful, beautiful, beautiful angel
 Love your imperfections every angle
 Tomorrow comes and goes before you know
 So I just had to let you know
 The way that Gucci look on you, amazing
 But nothing can compare to when you're naked
 Now a Backwood and some Henny got you faded
 You're saying you're the one for me, I need to face it
 Started when we were younger
 Swear to God that I loved her
 Sorry that your mum found out
 Guess that we just really had the thunder
 Ain't nobody else that I'd be under
 Beautiful, beautiful life right now
 Beautiful, beautiful night right now
 No, no, no
 Hey
 Beautiful, beautiful, beautiful, beautiful angel
 Love your imperfections every angle
 Tomorrow comes and goes before you know
 So I just had to let you know

D
 Oh my god where did the time go?
 I wish the hours would go slow, how is it 6 am?
 Your touch ir hindsight
 Beautiful, beautiful sight right now
 Beautiful, beautiful life right now
 Got the angel saying the word right now like oh-ah
 And you shouldn't worry
 You got your touch sometimes i'm worried, tonight i'm not (no)
 Tie and lead in your golden kiss, honey dripping from your lips
 I thank god and my lucky stars darling,
 Don't you know what you are?
 Yeah baby you are
 Hey (hey baby)
 Beautiful, beautiful, beautiful, beautiful angel (oh)
 Love your imperfections every angle
 Tomorrow comes and goes before you know (yeah, baby)
 So I just had to let you know
 The way that Gucci look on you amazing
 But nothing can compare to when you're naked
 Tomorrow comes and goes before you know
 So I just had to let you know
 I just had to let you know
 Swear to God you're beautiful (yeah)
