[Primeira Parte]

Em G C
Yes, I'm gonna stay with him tonight
Em G C
I'll see you in the mornin'
Em G C
No, of course he won't drink and drive
Em G C
Can you say bye to mom for me?
Em G C
Oh, you'll like him, he's really kind
Em G C
And he's funny like you sometimes
Em G C
And I found someone I really like
Em G C
Maybe for the first time

[Pré-Refrão]

D
No, I don't need a jacket
Em C Em
It's not that cold tonight
D
And you worry, I get it
Em C
But he's waitin' outside

[Refrão]

G
I swear on my heart that he's a good man
Em D G
I know you'll stay up late just waitin' for me
G C Em
You held me so tight, now someone else can
D G
But you were the first man that really loved me

[Segunda Parte]

Em G C
Now you're driving to the airport
Em G C
Not just me you pick up anymore
Em G C
I've got eight days off comin' up
Em G C
And I can only come home for four

[Pré-Refrão]

D
Yeah, I just met his family

Em C Em
They're just like you and mom (Oh)
D
He makes me really happy
Em C G
I think he might be the one, oh

[Refrão]

C Em
I swear on my heart that he's a good man
D G
I promise he loves me, he'd never hurt me
C Em
You held me so tight, now someone else can
D G
But you were the first man that really loved me
C Em
Now you're on the driveway, faking a smile
D G
You wish you could tell him he doesn't deserve me
C Em
So I had to stop the car and turn around
D G
To tell you you were the first man that really loved me

[Pós-Refrão]

C
Ah, ah, ah
Em
Ah, ah, ah
D
Ah

[Ponte]

G C
And before they open up the doors
G D
I say, "I've never seen you cry before"
G C
You say, "You've never looked so beautiful"
D G
You know you'll always be my little girl"

[Refrão]

C
You're looking at me while walking down the aisle
D G
With tears in your eyes, maybe he deserves me
C Em
You don't even know how much it means to me now
D G
That you were the first man that really loved me
C Em
Oh, really loved me
D G
Oh, you really love me
