

Camila Cabello - First Man

tom:
 [Primeira Parte]
 Yes, I'm gonna stay with him tonight
 I'll see you in the mornin'
 No, of course he won't drink and drive
 Can you say bye to mom for me?
 Oh, you'll like him, he's really kind
 And he's funny like you sometimes
 And I found someone I really like
 Maybe for the first time

[Pré-Refrão]

No, I don't need a jacket
 It's not that cold tonight
 And you worry, I get it
 But he's waitin' outside

[Refrão]

I swear on my heart that he's a good man
 I know you'll stay up late just waitin' for me
 You held me so tight, now someone else can
 But you were the first man that really loved me

[Segunda Parte]

Now you're driving to the airport
 Not just me you pick up anymore
 I've got eight days off comin' up
 And I can only come home for four

[Pré-Refrão]

Yeah, I just met his family

They're just like you and mom (Oh)
 He makes me really happy
 I think he might be the one, oh

[Refrão]

I swear on my heart that he's a good man
 I promise he loves me, he'd never hurt me
 You held me so tight, now someone else can
 But you were the first man that really loved me
 Now you're on the driveway, faking a smile
 You wish you could tell him he doesn't deserve me
 So I had to stop the car and turn around
 To tell you you were the first man that really loved me

[Pós-Refrão]

Ah, ah, ah
 Ah, ah, ah
 Ah

[Ponte]

And before they open up the doors
 I say, "I've never seen you cry before"
 You say, "You've never looked so beautiful"
 You know you'll always be my little girl"

[Refrão]

You're looking at me while walking down the aisle
 With tears in your eyes, maybe he deserves me
 You don't even know how much it means to me now
 That you were the first man that really loved me
 Oh, really loved me
 Oh, you really love me
