

Camila Cabello - First Man

tom:
 [Primeira Parte]
 Em G C
 Yes, I'm gonna stay with him tonight
 Em G C
 I'll see you in the mornin'
 Em G C
 No, of course he won't drink and drive
 Em G C
 Can you say bye to mom for me?
 Em G C
 Oh, you'll like him, he's really kind
 Em G C
 And he's funny like you sometimes
 Em G C
 And I found someone I really like
 Em G C
 Maybe for the first time

[Pré-Refrão]

D
 No, I don't need a jacket
 Em C Em
 It's not that cold tonight
 D
 And you worry, I get it
 Em C
 But he's waitin' outside

[Refrão]

G
 I swear on my heart that he's a good man
 Em D G
 I know you'll stay up late just waitin' for me
 G C Em
 You held me so tight, now someone else can
 D G
 But you were the first man that really loved me

[Segunda Parte]

Em G C
 Now you're driving to the airport
 Em G C
 Not just me you pick up anymore
 Em G C
 I've got eight days off comin' up
 Em G C
 And I can only come home for four

[Pré-Refrão]

D
 Yeah, I just met his family

Em C Em
 They're just like you and mom (Oh)
 D
 He makes me really happy
 Em C G
 I think he might be the one, oh

[Refrão]

C Em
 I swear on my heart that he's a good man
 D G
 I promise he loves me, he'd never hurt me
 C Em
 You held me so tight, now someone else can
 D G
 But you were the first man that really loved me
 C Em
 Now you're on the driveway, faking a smile
 D G
 You wish you could tell him he doesn't deserve me
 C Em
 So I had to stop the car and turn around
 D G
 To tell you you were the first man that really loved me

[Pós-Refrão]

C
 Ah, ah, ah
 Em
 Ah, ah, ah
 D
 Ah

[Ponte]

G C
 And before they open up the doors
 G D
 I say, "I've never seen you cry before"
 G C
 You say, "You've never looked so beautiful"
 D G
 You know you'll always be my little girl"

[Refrão]

C
 You're looking at me while walking down the aisle
 D G
 With tears in your eyes, maybe he deserves me
 C Em
 You don't even know how much it means to me now
 D G
 That you were the first man that really loved me
 C Em
 Oh, really loved me
 D G
 Oh, you really love me
