

Camila Cabello - I'll Never Be The Same

Tom: C

C
 Something must've gone wrong in my brain
G
 Got your chemicals all in my veins
Am
 Feeling all the highs
 Feeling all the pain **F**
C
 Let go of the way
 I used to fall in lane
G
 Now I'm seeing red
 Not thinking straight
Am **F**
 Blurring all the lines, you intoxicate me

C
 Just like nicotine
G **Am**
 Nicotine, whoo whee
Am
 Suddenly, I'm feeling you're all I need
F
 All I need
 Yeah, all I need

C
 It's you, babe **G**
 And I'm a sucker for the way that you move babe
Am
 And I could try to run but it would be useless
 You're to blame
F
 Just one hit, you will know I'll never be the same

C
 It's you, babe **G**
 And I'm a sucker for the way that you move babe
Am
 And I could try to run but it would be useless
 You're to blame

 Just one hit, you will know I'll never ever ever be the same

C
 I'll never be the same
G
 I'll never be the same
Am
 I'll never be the same **F**

C
 Sneaking in LA when the lights are low
G
 Off of one touch, I could overdose
Am

It's something I've saved cause I wanna see you lose control

C
 Just like nicotine
G **Am**
