

# Camila Cabello - Living Proof

Tom: C

Ah-ah-ah-ah-ah-ah, I promise G

C  
Ooh

G  
Tell me something, but say it with your hands, slow

C  
When you touch me, paint me like a Van Gogh (oh)

G  
I wanna study every inch of you

C  
'Til you trust me to make the angels come through

Like a choir singing "Hallelujah"  
When my body's crashin' right into you  
When we align, ooh yeah  
Do you feel me?  
Can you feel me?  
'Cause I can't breathe

G  
Where did you come from, baby? And were you sent to save me?

C  
Ooh, there's God in every move

G  
Ooh, and you're the living proof (oh)the way your hands can't shake me  
Soft to the touch like, baby

C  
Ooh, there's God in every move  
Ooh, and you're the living proof (oh)

G  
Countin' freckles, as they run down your spine

C  
Show your demons, and I might show you mine

G  
One at a time, yeah, yeah - what are you hidin'?  
What a design, yeah, yeah

C  
I wanna dive in, what a divine moment  
Can you feel me? (Oh)  
Can you feel me? (Oh)

G  
'Cause I can't breathe

G  
Where did you come from, baby? And were you sent to save me?

C  
Ooh, there's God in every move

G  
Ooh, and you're the living proof (oh)the way your hands can't shake me  
Soft to the touch like, baby

C  
Ooh, there's God in every move  
Ooh, and you're the living proof (oh)

G  
Like a choir singing "Hallelujah"

C  
Ooh yeah, choir singing "Hallelujah"

G  
Like a choir singing "Hallelujah"

G  
Hallelujah, hallelujah  
Choir singing "Hallelujah"

C

Do you feel me?

C  
Can you feel me?

G  
And were you sent to save me? (Sent to save me)
