Am
I forgot the feeling
The feeling of being alone But not lonely
Am
I guess when you touch me
My fears and my secrets Belong to you only
Am
Close the door behind you
Just let me love you, you, hold you
Am
My mind stays on you
So does my body let me show you
But I wanna go through
Am Em
And I wanna need you
C G
Could you be my muse
Em
Lately all I think about is you
I'm never sick about it
Am
This love's incredible-credible
C
Have a little mercy on me
Baby, you got me
Wanting more, wanting more
Of your love
Incredible-credible
Have a little mercy on me
Baby, you got me
Am
Wanting more, wanting more
C
Of your love
Am
Wanting more, wanting more
