

Camila Cabello - Love Yourself

Tom: G

My momma don't like you and she likes everyone
 And I never liked to admit that I was wrong
 And I've been so caught up in my job, didn't see what's going on
 But now I know, I'm better sleeping on my own
 But if you like the way you look that much
 Oh, baby, you should go and love yourself
 And if you think that I'm still holding on to something
 You should go and love yourself

You tried to make me insecure
 You tried to break me maybe 'cause you couldn't
 love yourself, love yourself
 But your poison was the cure
 And by accident you showed me how to
 love myself, love myself
 But if you like the way you look that much
 Oh, baby, you should go and love yourself
 And if you think that I'm still holding on to something
 You should go and love yourself
