

Camila Cabello - Million To One

tom:

Intro: G
 [Primeira Parte]
 Here I go again
 I'm imagining a world
 Outside unlike
 The one I'm in
 Daydreamin' again of
 When I'll get a chance

There's a world that understands
 Where you don't hear the whispers
 In the room you're walkin' in
 Daydreamin' again
 All I need is a chance

[Pré-Refrão]

When I feel my fears staring at me
 I tell it just wait and see
 I know who I'm gonna be
 I know who I'm gonna be
 The worlds half asleep
 It's gonna wake up and see

[Refrão]

If it's a million to one
 I'm gonna be that one and
 If it's a shot in the dark
 I'm gonna be the Sun
 And I just can't afford to be wrong
 Even when I'm afraid
 You're gonna know my name
 You're gonna know my name

(G)

[Segunda Parte]

I can barely sleep
 'Cause my heart is always racing
 Chasing, pacing 'round the room
 Livin' carefully

Is something I don't wanna do, huh
 [Pré-Refrão]

When I feel my fears staring at me
 I tell it just wait and see
 I know who I'm gonna be
 I know who I'm gonna be
 The worlds half asleep
 It's gonna wake up and see
 [Refrão]

If it's a million to one
 I'm gonna be that one and
 If it's a shot in the dark
 I'm gonna be the Sun
 And I just can't afford to be wrong
 Even when I'm afraid
 You're gonna know my name
 You're gonna know my name

[Ponte]

I can see her now and then
 Wanna know what I could be, yeah
 I see her laughin', 'cause she knew all along in her ahead
 So when the light is hard to see

She's telling me

[Refrão]

If it's a million to one
 I'm gonna be that one and
 If it's a shot in the dark
 I'm gonna be the Sun
 And I just can't afford to be wrong
 Even when I'm afraid
 You're gonna know my name
 You're gonna know my name
 You're gonna know my name
 You're gonna know my name
 You're gonna know my name
 You're gonna know my name
