 D C
 I'm cool like an icicle till I see you, boy
 G D
 Think I'm gonna die
 C G D
 But now your hands are touching my waist in the back of the car
 You just couldn't wait
 C G D
 And now my hands are moving in ways like I need you right now
 I just couldn't wait
 C
 And my m-m-minds
 G D
 Made so much noise for so long and it's gone
 Cause when you kiss me it's quiet
 G D
 Oh, it's quiet
 C
 Quiet
 G D
 Oh, it's quiet
 C
 Did you get taller?
 G
 Your hair is longer
 D
 Couple tattoos since I saw you
 C
 Looking at your hands
 G
 Thinking of my plans for 'em
 D
 Ooh
 C
 Ooh, but what if I panic?
 G
 What if I'm damaged?

 What if I'm just not who you imagined?

 And you're gorgeous

 And I'm hopeless
 God damn it
