Eb Fm  
No, i think i'll stay in tonight  
Bb Eb (D )  
Skip the conversations and the "oh, i'm fine"s  
Eb Fm  
No, i'm no stranger to surprise  
Bb Eb (D )  
This paper town has let me down too many times

Eb Fm  
Why do i even try? give me a reason why  
Bb Eb (D )  
I thought that i could trust you, never mind  
Eb Fm  
Why all the switching sides? where do i draw the line?  
Bb Eb (D )  
I guess i'm too naive to read the signs

Eb Fm  
I'm just lookin' for some real friends  
Bb Eb (D )  
All they ever do is let me down  
Eb Fm  
Every time i let somebody in  
Bb Eb (D )  
Then i find out what they're all about

Eb Fm  
I'm just lookin' for some real friends  
Bb Eb (D )  
Wonder where they're all hidin' out  
Eb Fm  
I'm just lookin' for some real friends  
Bb Eb (D )  
Gotta get up out of this town  
( Eb Fm Bb Eb D )

Eb Fm  
I stay up, talkin' to the moon  
Bb Eb (D )

Can't help but feel like something's wrong, yeah  
Bb (D )  
'cause the place i'm livin' in just doesn't feel like home

I just wanna talk about nothin'  
With somebody that means something  
Bb Fm  
Spell the names of all our dreams and demons  
Eb (D )  
For the times that i don't understand  
Eb Fm  
Tell me what's the point of a moon like this  
When i'm alone again  
Bb Fm  
Can i run away to somewhere beautiful  
Eb (D )  
Where nobody knows my name?
