

# Camila Cabello - Scar Tissue

Tom: F

(com acordes na forma de C)

Capostrate na 5ª casa

[Verse 1]

I might say sorry way too much

Unnecessarily nervous

I feel every damn thing again

The sound of your name like a cut

[Pre-Chorus]

I tried to hold the pieces inside

Tighter I held it, felt like a knife

Blood from our oath falls on your hands, not mine

I used to laugh, just like a child

I feel okay, just for a while, yeah

Then I realized

[Chorus]

All I'm left with is this scar tissue

Battle wounds after surviving you (oh)

I'm left with all the bruises, excuses

The truth is: trying to restart, that's the hardest part

The scar tissue

[Post-Chorus]

Ooh, ooh, ooh

The scar tissue, ooh, ooh, ooh

That's the hardest part

The scar tissue

[Verse 2]

Secretly dangerous

The hurt that you're capable of

I couldn't see you coming if I tried

You pulled the trigger and hide

[Pre-Chorus]

I tried to hold the pieces inside

Tighter I held it, felt like a knife

Blood from our oath, those are your hands not mine

I used to laugh, just like a child

I feel okay, just for a while, yeah

Then I realized

[Chorus]

All I'm left with is this scar tissue

Battle wounds after surviving you, oh

I'm left with all the bruises, excuses

The truth is: trying to restart, that's the hardest part

The scar tissue

[Post-Chorus]

Ooh, ooh, ooh

The scar tissue, ooh, ooh, ooh

That's the hardest part

The scar tissue

[Interlude]

Dealing with the scar tissue

Everything you put me through, na na na yeah

Dealing with the scar tissue

Everything you put me through, na na na yeah

Dealing with the scar tissue

Everything you put me through, na na na yeah

Dealing with the scar tissue

Dealing with the scar tissue

[Bridge]

Oh, I'm not okay

But I'm getting closer to it everyday

Closer and closer 'til you fade away

All I'm left with is the scar tissue

G Am F

G

Yeah, that's the hardest part

The scar tissue

[Post-Bridge]

(All the scars, ooh, ooh, ooh)

The scar tissue, ooh, ooh, ooh (I'm going home, I'm trying)

That's the hardest part

The scar tissue

[Outro]

I'm going home, I'm trying (na na na yeah)

I'm trying (na na na yeah)

I'm going home, I'm trying (na na na yeah)

I'm trying
