

# Camila Cabello - Should've Said It

tom:  
 G  
 [Introdução]

[Refrão]  
 So you want me now? That's funny  
 'Cause you didn't give a... back then  
 Comin' back?around,?so sorry  
 'Cause there's?no room in my bed  
 And I'm ?all good now, someone else is gettin' all of me (Ah)  
 If you wanted me so desperately, you shoulda said it

[Primeira Parte]  
 Show up at my door, but I don't live there anymore  
 Sendin' me your songs, but they don't really sound like before  
 I was crazy for you, all caught up and confused (Ah)  
 Love was broken for me, now it's broken for you

[Pré-Refrão]  
 You're only lonely  
 Now that you ain't the one to hold me  
 Only lonely now

[Refrão]  
 So you want me now? That's funny  
 'Cause you didn't give a... back then  
 Comin' back?around,?so sorry  
 'Cause there's?no room in my bed  
 And I'm?all good now, someone else is gettin' all of me (Ah)  
 If you wanted me so desperately, you shoulda said it

[Segunda Parte]  
 Isn't it somethin' that I get more when I'm givin' you nothin'? (Huh)  
 Isn't it magic that when you stop lookin' for it, it happens? (Oh)  
 Baby, he fell from grace, landed right in your place  
 Kissed me so many times that I forgot your taste

[Pré-Refrão]  
 You're only lonely  
 Now that you ain't the one to hold me  
 Only lonely now

You're only lonely  
 Now that you ain't the one to hold me  
 Only lonely now, now

[Refrão]  
 So you want me now? That's funny (Hey)  
 'Cause you didn't give a... back then  
 Comin' back?around,?so sorry  
 'Cause there's?no room in my bed  
 And I'm?all good now, someone else is gettin' all of me (Ah)  
 If you wanted me so desperately, you shoulda said it

[Pós-Refrão]  
 You shoulda said it, love  
 Shoulda said it  
 Shoulda said it, love

[Ponte]  
 I wish that you could turn back the time  
 And hold me closer instead of your pride (Ooh, oh)  
 I knew it was you from the very first night  
 And it took you two years to make up your mind

[Refrão]  
 So you want me now? That's funny  
 'Cause you didn't give a... back then  
 Comin' back?around,?so sorry (Ayy)  
 'Cause there's?no room in my bed  
 And I'm?all good now, someone else is gettin' all of me (Ah)  
 If you wanted me so desperately, you shoulda said it (Ah)

[Pós-Refrão]  
 You shoulda said it, love (Ah)  
 Shoulda said it (Oh)  
 Shoulda said it, love

[Final]  
 So you want me now, now, baby?  
 So you want me now, now, baby?  
 So you want me now, now?  
 You shoulda said it, shoulda said it, love
