Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Okay, I tell her bring it back like she left some

Bring it Bring it back like she left some

Uh in the club with the lights off

What you actin shy fo', come and show me that you

Wid it, wid it, wid it, wid it, wid it

Stop playin', how you know that I

Wid it, wid it, wid it, wid it, wid it, wid it

What you actin shy for

Just gimme you, just give me you

Just gimme me you, that's all I wanna do

And if what they say is true, if its true

I might give me to you

I may take a lot of stuff

Guaranteed I can back it up

I think I'ma call you bluff

Hurry up, I'm waiting out front

Uh huh, you see me in the spot like oooh I love your style

Uh huh, show me what you got, cus I don't wanna waste my time

Uh huh, you see me in the spot like oooh I love your style

Uh huh, show me what you got now come and make it worth my

while

Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

It's all on you, it's all on you

It's all on you, so what you wanna do

And if you don't have a clue, not a clue

I'll tell you what to do

Come harder just because

I don't like it, like it too soft

I like it a little rough, not too much, but maybe just enough

Uh huh, you see me in the spot like oooh I love your style

Uh huh, show me what you got, cus I don't wanna waste my time

Uh huh, you see me in the spot like oooh I love your style

Uh huh, show me what you got now come and make it worth my

while

Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Give it to me I'm worth it

Baby I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Okay, I tell her bring it back like she left some

Bring it Bring it back like she left some

Uh in the club with the lights off

What you actin shy fo', come and show me that you
