[VERSE 1]

E  
Every time I think I'm closer to the heart  
Of what it means to know just who I am  
I think I've finally found a better place to start  
But no one ever seems to understand  
I need to try to get to where you are  
Could it be, you're not that far

[CHORUS]

E B  
You're the voice I hear inside my head  
Gb Abm  
The reason that I'm singin'  
E B  
I need to find you  
Gb Abm  
I gotta find you  
E B  
You're the missin' piece I need

The song inside of me
