

Camp Rock - Wouldn't Change a Thing

Tom: Gb

(intro) Gb Db B Ebm Db

It's like
He dosen't hear a word I say
His mind is somewhere far away
And i don't know how to get there

It's like
He only wants to chill out
Makes my wanna pull my hair out
Like he dosen't even care

You Me
Were face to face
But we don't see eye to eye

Like Fire and Rain!
(Fire & Rain)
You can drive me insane
(Drive me insane)
But I can stay mad at you for anything.

Were Venus and Mars
(Venus and Mars)
Were like different stars.
(Different stars)
Your the harmony to every song I sing
And I wouldn't change a thing.

So start a sigar a day
Just wanna let the music play
She's all or nothing
But my feelings never change

Why you try to read my mind
You try to pick up fight
That's what all my friends say

You Me
Were face to face
But we don't see eye to eye

Like Fire and Rain!
(Fire & Rain)
You can drive me insane
(Drive me insane)
But I can stay mad at you for anything.

Were Venus and Mars
(Venus and Mars)
Were like different stars.
(Different stars)
Your the harmony to every song I sing
And I wouldn't change a thing.

When I miss shes no
But when I hold on he just says go

We're perfectly in perfect
But I wouldn't change a thing

Like Fire and Rain
(Fire & Rain)
You can drive me insane
(Drive me insane)
But I can stay mad at you for anything

Were Venus and Mars
(Venus and Mars)
Were like different stars
(Different stars)
Your the harmony to every song I sing
And I wouldn't change a thing

But I can stay mad at you for anything

Were Venus and Mars

(Venus and Mars)
Were like different stars

(Different stars)
Your the harmony to every song I sing
And I wouldn't change
Wouldn't change a thing
