Tom: C

G C G7 C A7 Dm

Nós vivemos de toda a palavra que procede da boca de Deus:

A palavra de vida e verdade

que sacia a humanidade.

A palavra de vida e verdade

que sacia a humanidade.

1. Impelidos ao deserto retomamos a estrada que conduz

ao paraíso nossa vida e morada.

2. As prisões da humanidade assumidas pelo Cristo. São lugares de vitória, Ele veio para isto!

3. O Senhor nos deu exemplo ao vencer a noite escura superou a dor do mundo, renovando as criaturas.

4. Progredimos neste tempo conhecendo o Messias. Ele veio para todos alegrando nossos dias.

5. Celebramos a memória do amor que ao mundo veio junto dele venceremos o inimigo verdadeiro.

6. Contemplamos nossa terra em mistério fecundada. Flor e fruto são promessas ao findar a madrugada.
