

Canários do Reino - Pula Fogueira

tom:

Intro: A D A A
A D A

Pula, pula essa fogueira

Vem namorar

O cantador rasta poeira

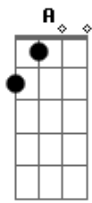

Vem ser meu par

Canta comigo essa canção

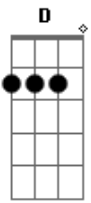

Brincar de estrela bem perto do coração

Estou ao teu lado agora
 Não vejo a hora de te abraçar
 Espalhando minha emoção
 Em tocar teu corpo com a minha mão
 Deixando explodir o desejo
 De te dar um beijo neste São João
 Deixando explodir o desejo
 De te dar um beijo neste São João
