

# Candieiro - Festaça do Bugio

Tom: B

A E B7 E

Foi se chegando sorrateiro da campanha

Bicho à toa, lombo duro e proseedor

De caçada de rodeio e campereada

Não tem nada, nestas lidas sou doutor

Fez fiado comprou um tonel de banha

Muita canha, charque gordo e pão caseiro

Roncou grosso, se tiver macho que venha

E deixou prenha a filha do bolicheiro

Pelo caminho convidou a bicharada

Pra festaça que ia dar lá no capão

Pulou cerca escolhambou roça de milho  
E levou tudo que havia no galpão

Era o burro do seu Malaquias

Era a vaca da dona Chinoca

A cabrita da filha do Zé Bis

E a galinha da sinhá Maricota

E lá de longe se ouvia a bicharada a cantar

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

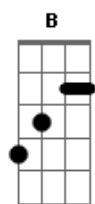

Oh! Oh! Oh! Oh! bugio!

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

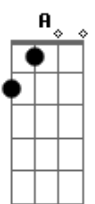

Oh! Oh! Oh! Oh! bugio!

Int.
