

Candieiro - Festaça do Bugio

Tom: B

A E B7 E

Foi se chegando sorrateiro da campanha

Bicho à toa, lombo duro e proseedor

De caçada de rodeio e campereada

Não tem nada, nestas lidas sou doutor

Fez fiado comprou um tonel de banha

Muita canha, charque gordo e pão caseiro

Roncou grosso, se tiver macho que venha

E deixou prenha a filha do bolicheiro

Pelo caminho convidou a bicharada

Pra festaça que ia dar lá no capão

Pulou cerca escolhambou roça de milho
E levou tudo que havia no galpão

Era o burro do seu Malaquias

Era a vaca da dona Chinoca

A cabrita da filha do Zé Bis

E a galinha da sinhá Maricota

E lá de longe se ouvia a bicharada a cantar

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

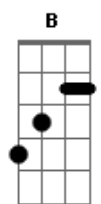

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!

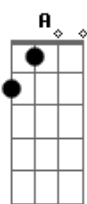

Oh! Oh! Oh! Oh! Oh! Oh! Oh! Oh!
