

# Candieiro - Lourinha

Tom: A

A Bm7 E Dbm7 Gbm7 Bm7 D A D

Quando me lembro de ti lourinha fico a imaginar lourinha

Que bom que seria a vida se tu fosses o meu par

Dançar contigo este xote e o meu sonho realizar

Pois meu coração lourinha quer contigo namorar

(Lourinha dos cabelos cor de ouro  
Lourinha minha prenda meu tesouro

Lourinha vem no meu rancho morar

E assim lourinha a saudade terminar)

Int.

Este ranchinho tão triste alegre ia ficar

Pois com flores eu iria teus cabelos enfeitar

E banhar teu lindo corpo na água pura da cascata

E apagar o teu desejo e a saudade que me mata

Oh! Mocinha eu te peço não esqueças mais de mim

Este xirú não aguenta viver tão sozinho assim

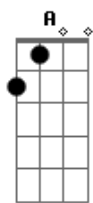

Quero que os anjos do céu venham nos abençoar

E que te digam lourinha que pra sempre vou te amar

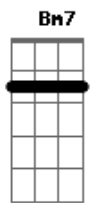

E assim lourinha a saudade terminar)

E assim lourinha a saudade terminar)
