

# Candlebox - You

<p>tom: D</p> <p>Oh, you It's for you Only you It's for you</p> <p>I'll never know, I'll never care, I'll never believe my people I'll tell you what I say I'll never lie, I'll never try, I'll never cry for you people I'll push you, push away</p> <p>As you lonely people Keep on runnin' 'round my door Yes, you lonely people Keep on beggin', beg for more</p> <p>And I'll cry for you, yes, I'll die for you Pain in my heart it is real And I'll tell you now how I feel inside Feel in my heart, it's for you</p> <p>It's for you Only you It's for you</p> <p>I'll never try, I'll never die, I'll never push for you people I'll tell you how I feel I'll never lie, I'll never cry, I'll never try for you people I'll tell you, yes, it's real</p> <p>And you lonely people Keep on passing time away Yes, you lonely people Keep on passing, pass away</p> <p>And I'll cry for you, yes, I'll die for you Pain in my heart it is real And I'll tell you now how I feel inside Feel in my heart it's for you</p> <p>And I'll take everything as it comes my way Pushin' your pain 'round my door And I'll I cry for you as I die for you Is this blood on my hands all for you?</p> <p>You shiver and shudder, recovers your mother You feel it take control All alone Feel alive In your soul</p> <p>Come around town, steal another dime, take another line Won't you feel it blanket your soul out of mind Come around town, steal another dime, do another crime Won't you get it higher and higher, all through time</p> <p>Come around town, steal another dime, don't you push your drugs in my face Yes, I feel it, feeling fine Don't you push your drugs in my face or I'm gonna put you in your place Fuck you, I don't want it no more</p> <p>And it's mine Said this pain in my heart, it's all mine Yes, it's mine All alone</p> <p>Oh, I don't want it no more I don't want it no more I don't want it no more I don't want it no more</p> <p>And it's mine</p>	<p>On my own Yes, it's mine All alone As I cry for you, yes, I'll die for you Pain in my heart, it is real And I'll take everything as it comes my way Feel in my heart it's for you</p> <p>And I'll lie for you as I die for you Pain in my heart, it is real And I'll tell you now how I feel inside Fuck you, it's for you</p> <p>[Riff 1] (Band enters here)</p> <p>[Verse] (7x) (4x) (3x)</p> <p>[Chorus] (With distortion) (4x)</p> <p>Then repeat Riff 1, and the verse Play the chorus 8x</p> <p>3Rd Verse (Clean tone, with delay or chorus)</p> <p>-This repeats a lot of times, listen to the song to get the pattern.</p> <p>[Bridge] (With distortion) (2x)</p> <p>[Solo] (With wah)</p> <p>Final chorus Rythm Guitar: Play chorus riff Lead Guitar (7x)</p> <p>Then play the bridge</p> <p>Rythm: Resume chorus riff</p> <p>Lead (11x)</p> <p>-There are some variations here, I'm not sure about them. Improvise.</p> <p>"And I'll tell you now..."</p>
