

Cangaia de Jegue - Assim

Tom: Ab

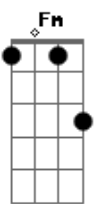

Sei que você Ainda mora no meu coração
 Sei vou te dizer Que a saudade traz a solidão
 Porque você se foi E me deixou assim
 Será que ainda gosta de mim? Tenho esperança que ainda volte pra mim
 Volta pra mim Vamos fazer amor

Te amo benzinho A nossa historia ainda não terminou
 Pra te falar a verdade Não paro de lembrar
 Do beijo que você me deu Fez o meu corpo arrepiar
 Assim, assim, assim, assim
 Meu corpo arrepia em pensar em ti
 Assim, assim, assim, assim
 Vem fazer amor, vem me fazer feliz
