

Canto Livre - Juventude

Tom: F

E era um fogo nas ventas
 E a alma que incendiava
 E eu mergulhava nas águas
 E pela grama rolava.

E o fogo queimava
 E a sede matava
 E a chuva lambia
 Meu corpo e vestia
 De luas. . .

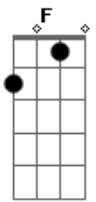

Clarão, clareia fogueira,
 No peito um escarcéu,
 No olhar, a luz do horizonte,
 Na boca, favos de mel.

E o riso a florava
 E a força brotava
 Sangrando energias
 Nas horas vadias
 Nas ruas. . .

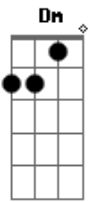

Na cachoeira da vida,
 Na repontada do amor,
 Jogava contra o destino,
 No laço apresava a dor.

Teus olhos, vigias
 Das noites e dias,
 Teu colo meu berço,
 As mãos eram terços
 Nas tuas. . . aaah, aaah...
