

Cantor Cristão - 015 - Exultação

Tom: G

1. A Deus demos glória, com grande fervor

Seu filho bendito por nós todos deu

A gra---ça concede ao mais vil pecador

Abrindo-lhe a porta de entrada do céu

Exultai! exul---tai! vinde todos louvar

A jesus, salvador, a jesus, redentor

A deus demos glória, porquanto do céu

Seu filho bendito por nós todos deu

2. oh! gra---ça real foi assim que jesus

Morrendo, seu sangue por nós derramou!

Heran---ça nos céus, com os santos em luz

Comprou-nos jesus, pois o preço pagou

3. a crer nos convida tal rasgo de amor

Nos merecimentos do filho de deus

E quem, pois, confia no seu salvador

Vai vê-lo sentado na glória dos céus
