

Cantor Cristão - 334 - Alívio

tom:

G

G C G C G

Vem, alma cansada, tomada de dor

Entrega os cuidados na mão do Senhor

A Cristo confia teu grande pesar

Pois nele descanso tu podes achar

As mágoas, desgostos, revela ao Senhor

G C G C G

Não, oh, não receies vir tudo lhe expor

Do mal que te oprime te pode curar

Jesus tem desejo de te confortar

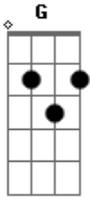

Se tu já provaste tal consolação

Vai, leva a mensagem de paz e perdão

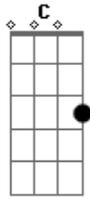

Às almas aflitas, oprimidas de dor

Vai, traze os contritos aos pés do Senhor
