

# Capim - Um Rio

Tom: A

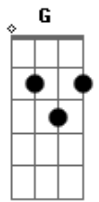

Um rastro  
 uhh uhhh uhhh uhhhh  
 Um risco  
 Uhh uhhh uhh uhhh  
 Um rio  
 Me levando ao mar, ahhh ahhhh  
 Sou água dos novelos da mata, ahhh ahhhhh  
 Molhei os espelho da alma  
 Nascia em mim  
 Uma grávida  
 Grávida de flor  
 Brotava em mim  
 Uma lágrima

De um beija-flor  
 Canto assim porque Deus mandou  
 Um rastro  
 uhh uhhh uhhh uhhhh  
 Um risco  
 Uhh uhhh uhh uhhh  
 Um rio  
 Me levando ao mar, ahhh ahhhh  
 Sou água dos novelos da mata, ahhh ahhhhh  
 Molhei os espelho da alma  
 Oioooo, Oiooo, Oiooooooo  
 Oioooo, Oiooo, Oiooooooo  
 Canto assim porque Deus mandou
