tom:

Intro: Bb C F

Vem! vem! meu boi

Meu boi, Boi Caprichoso

Com todo arsenal azul

Explode constelação boi da estrela

Tambores estremecem

Enaltece a grande festa

Porque meu boi já chegou

Lua ilumina a porteira

Veja só que maravilha vem de lá

É o touro amado trouxe vida

Alegria na arena encantar

Tem um sentimento a estrela na testa

Que faz você feliz

O boi de Parintins

É boi altaneiro, nossa arte

Tá no sangue do caboclo

Caprichoso! Caprichoso!

Caprichoso! u ô ô ô

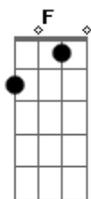

É boi altaneiro, nossa arte

Tá no sangue do caboclo

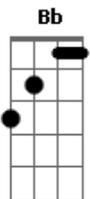

Caprichoso! Caprichoso! u ô ô ô ô
