

Boi Caprichoso - Rufar Do Meu Tambor

tom:

G
(D)

O nosso canto tem a força do amor

Ôô... ôô

Ôô... ôô

É no rufar do meu tambor que uma estrela vai brilhar

Na cadência da Marujada

Que a festa vai começar

Balança meu boi ô ô ô

Canta galera com os braços pro ar

Que o Boi Caprichoso já chegou

Encanto e magia maior do lugar

Realeza do povo amazônica, tua beleza me faz te amar

Nesta festa de alegria que me encanta

E me torna de novo criança

Para ti vou cantar, meu boi

Vou também declarar

O meu amor e por isso a cor azul

Eu visto pra ser torcedor

Caprichoso ôôô,

Marujada de Guerra bate tambor

Canta galera que o boi já chegou

Caprichoso ôôô,

Marujada de Guerra bate tambor

Canta galera... Caprichoso é nosso amor

Caprichoso é nosso amor

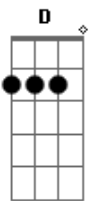

Caprichoso é nosso amor
