

Car Seat Headrest - Bodys

Tom: **D**

D
That's not what I meant to say at all
Gbm
I mean I'm sick of meaning I just want to hold you
D
But that's not what I wanted to say at all
Gbm
I mean I'm sick of meaning I just want to hold you

D
Is it the chorus yet?
G
D
No, it's just the building of the verse. So when the chorus
does come, it'll be more rewarding

D
I would speak to you in song but you can't sing
G
As far as I'm aware, though everyone can sing
As you are well aware
G
I keep so quiet it's hard to tell I'm alive
D
Everybody is swinging their hips
G
Everybody is giving the waitress tips
Gbm
Everybody's dancing all of the dances
G
Everybody's dancing every dance now
(**D** **Em** **Gbm** **G**)

D
Those are you got some nice shoulders
Em
I'd like to put my hands around them
Gbm
I'd like to put my hands around them
G
D
I have enough trouble controlling my own limbs
G
Stealing alcohol from our parents and grandparents
Gbm
There's no devil on one shoulder and angel on the other
G
They're just two normal people
D
These are the people that I get drunk with
G
These are the people that I fell in love with
D
These are the people that I get drunk with
G

These are the people that I fell in love with

D
But if you keep giving me your empty hands
G
Man, I am tempted to say
D
"Let's piss up another rope, boys
G
This one has grown old and bitter"
D
Well so what? We're young
D
We're thin (most of us)
G
We're alive (most of us)
D
Don't you realize our bodies could fall apart at any second
Em
I am terrified your body could fall apart at any second
Gbm
Those are you got some nice shoulders
G
I'd like to put my hands around them
G
I'd like to put my hands around them
D
We can get real horny and keep messing around
Em
We can keep real quiet, won't be making no sounds
Gbm
I'll try my best not to touch your face
G
Next time can we please meet at my place
(**D** **Em** **Gbm** **G**)
D
And I know that I don't talk a lot
Em
And I know that you don't care a lot
Gbm
But as long as we move our bodies around a lot
G
We'll forget that we forgot how to talk
D
When we dance, when we
G
When we dance, when we
D
Don't you realize our bodies could fall apart at any second
Em
Those are you got some nice shoulders
Gbm
I'd like to put my hands around them
G
I'd like to put my hands around them
D
When we dance, when we dance, oh-ho, oh
Em
When we dance, when we dance, oh-ho, oh-ho, oh
Gbm
When we dance, when we dance, oh-ho, oh-ho, oh
G

Acordes
