Car Seat Headrest - Can't Cool Me Down

```
                         tom:
                Bm
```

[Primeira Parte]

```
Bm
Schizophrenia dreaming
   D
I got a real bad feeling
   G                        A
With a taste like lemon
   G
Having trouble breathing
      Bm
Getting high on nothing
   D
Getting high on nothin
   D                    G
Taking credit for nothing
                          A
Inside my head is an empty head
G
Intro: ducing friends to friends
```

[Pré-Refrão]

```
  Bm
There is a hole in the ceiling
                       D
Everything but me and it has got no feeling
                         G
Smoke is pouring out the bed
                         G
I crawl like an animal to ya
                                    D
It?s a time of need and I need you to help me please

( Em   G )

G
An animal to ya, an animal to ya
```

[Refrão]

```
Bm                    D
Cool water on my brow
                    G
Can't cool me down
A       G
No, it can't cool me down
Bm                    D
Cool water on my brow
                       G
No, it can't cool me down
A       G
It can't cool me down
Bm                    D
Cool water on my brow
                  G
Can't cool me down
A       G
It can't cool me down

(No, it can't)
```

[Ponte]

```
  Bm
Vivid visions
  Bm
```

Acordes

```
It?s been so long since I
   Bm
Heard your voice and
   Bm
Felt your feeling for me
    Bm
Camille Raquin at the mortuary
     Bm
I like Chopin, won?t you sing me to sleep?
  Bm
No, don't, Daniel

(No, don?t, Daniel)
                              D
You think you see a light but
                                 G
There is nothing in a flame but fire

(There is nothing)
G
Is it satisfaction?

(Is it satisfaction?)
  G
Is it only practice for the real thing?

(Is it only practice for the real thing?)
 G
Snap out of the drug trip screaming
 D
Hey, we're not supposed to be here

(We're not supposed to be here)
 Em
Hey, we're not supposed to be here

(We?re not supposed to be here)
  G
Now my blood is dirty water

Drain it, bleed it, wash it down the drain

The devil in the other, somebody else's mistake
Bm                            D
I am dripping with sweat, my hands

I can't hold anything in my hands
G                          A
I've only made one mistake in my life
G                          A
I've only made one mistake, I'm going
```

[Refrão]

```
Bm                    D
Cool water on my brow
         G          A
Can't cool me down
      G                 A
No, it can't cool me down
Bm                    D
Cool water on my brow
         G          A
No, it can't cool me down
      G                 A
It can't cool me down
Bm                    D
Cool water on my brow
             G          A
Can't cool me down
G       A
It can't cool me down
```
