 You have no right to be depressed
 D
 You haven't tried hard enough to like it
 A
 Haven't seen enough of this world yet
 D
 But it hurts it hurts it hurts it hurts
 A
 Well stop your whining, try again
 D
 No one wants to cause you pain
 A
 They're just trying to let some air in
 D Dbm
 But you hold your breath you hold your breath you hold it
 E Gbm
 Hold my breath I hold my breath I hold it

E D x2

 E
 So you'll ask "why?" and there will be no answer
 D
 Then you'll ask for how long? and there will be no answer
 E
 Then you'll ask "what can I do?" and there'll be no answer
 D
 And eventually you will shut up

A
