

Car Seat Headrest - Happy News For Sadness

tom:
 E Hipbone is connected to my heart^A
 Every time I think about love

[Primeira Parte]

You can never tell the truth^E
 But you can tell something that sounds like it^A
 You can never tell the truth^E
 But you can tell something that sounds like it^A

My eyebrows are growing back in nicely^E
 But I'm still ugly on the inside^A

An ad for a kid's movie^E
 On the back of the Rice Krispies^A
 It came out in 2003

Sure hope it's talking about the DVD^E
 You can never tell the truth^A
 But you can tell something that sounds like it^E
 You can never tell the truth^A
 But you can tell something that sounds like it^E

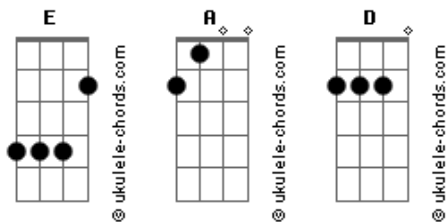

You can never tell the truth^E
 But you can tell something that sounds like it^A
 You can never tell the truth^E
 But you can tell something that sounds like it^{A E}

[Segunda Parte]

I liked you better when you hated yourself^E
 Every time I think about love^A
 N.c
 I think about me thinking about you

Changing your anatomy^E

Acordes

I think about you thinking about me^E
 Nobody wants to know^E
 (My eyebrows are growing back in nicely)
 What you got to say at all
 (My eyebrows are growing back in nicely)
 Nobody cares about^A
 (But I'm still ugly on the inside)
 Your life and the people in it
 (But I'm still ugly on the inside)
 So you can stop telling me it gets better^E
 (An ad for a kid's movie)
 And pack all your stuff in these boxes
 (On the back of the Rice Krispies)
 And send them to the Salvation Army^A
 (It came out in 2003)
 Cause they're the only one-
 (Sure hope it's talking about the DVD)

You can never tell the truth^E
 But you can tell something that sounds like it^A
 You can never tell the truth^E
 But you can tell something that sounds like it^A
 You can never tell the truth^E
 But you can tell something that sounds like it^A
 You can never tell the truth^E
 But you can tell something that sounds like it^A
 [Final] ^E
