

# Car Seat Headrest - (Joe Gets Kicked Out of School for Using) Drugs With Friends (But Says This Isn't a Problem)

Tom: D

D A G  
I get to know myself every weekend and I'm weak

D F G  
Hangovers feel good when I know it's the last one  
D F G  
Then I feel so good that I have another one

D A G  
Last Friday I took acid and mushrooms  
D F G  
I did not transcend, I felt like a walking piece of shit  
D A G  
In a stupid looking jacket

D F G  
I walked around town and thought I was in Sodom  
D F G  
There were filthy people seeking comfort for their bodies  
D A G  
It was so obscene

D F G  
Filled with loathing and religious fervor  
D F G  
I laid on my friend's bedroom floor for an hour  
D A G  
And tried not to piss my pants

And then I saw Jesus

And he said  
D A G  
Oh, oh, oh  
"Who are you to go against the word of my father? And  
D A G  
Oh, oh, oh  
Who are you? the scum of the earth"

D A G  
No we are just we are just we are just teens of style  
D A G  
Oh we are just we are just we are just teens of style

D F G  
There were people getting drunk, there were people getting high  
D F G  
They were falling to pieces right before my eyes  
D A G  
And I said "mmhmm" a lot (mmhmm)

D F G  
And there was one guy there who kept asking me how does it are  
you sure feel and I  
D F G  
Didn't even you don't want to know how to talk about begin to  
answer what you're

D  
Experiencing that question and I just said so I just said no I  
don't want to talk about it

D F G D  
So there I was, just another shitbag civilian  
F G  
Afraid of the cops when I was outside, afraid of my friends  
when I was inside  
D A G  
And I grew tired of the scene  
And then my dad showed up

And he was like  
D A G  
Oh, oh, oh  
"Who are you to go against the word of our fathers?"  
D A G  
Oh, oh, oh

D A G  
"Who are you? the scum of the earth"

D A G  
No we are just we are just we are just teens of style  
D A  
G  
No we are just we are just we are just victims of the  
contemporary style  
D A  
G  
Yes we are just we are just we are just we are just going  
along with the modern style  
D A  
G  
Now everybody everybody everybody's going along with the  
modern style  
Let's do it together  
It goes

D  
Drugs are better  
A  
Drugs are better with  
G  
Friends are better  
A  
Friends are better with...
