Lovely lovely  
In your jeans, frenzy  
Another movie that I didn't watch with you  
Another movie and I'm gonna have to move  
That final terror is in your house somewhere  
Hiding in boxes, behind closed doorways  
Out from the forest adjacent to your garage  
I've seen its marks at the corner of your eyes

G  
Nothing works  
G Em  
Nothing works for everyone  
C  
Good stories are bad lives  
Bm  
Good stories are bad lives

G D  
Take your hands off your neck and hold on to the ghost of my  
body

G Em  
You know that good lives make bad stories  
Bm C  
You can text me  
Am Em G  
When punching mattresses gets old  
D G  
Don't think it'll always be this way  
Em  
Not comforted by anything I say  
Bm C Am Em  
We were wrecks before we crashed into each other  
Such a good idea
