

# Carimelle - We Are The Star Senses

Tom: C

If you're evil and you're on the rise  
 You can count on the four of us taking you down  
 Cause we're good, and evil can't crush our dreams  
 We'll win the fight, and then go out for nice cream!  
 We, are the star senses, we'll always save the day!  
 And if you think we can't  
 We'll, always find a way!  
 That's why every universe, believes in  
 Ink, blueberry, dream, and frisk the human!  
 ( F Am Bb C )

If you could only know, who we really are  
 When we discovered worlds, far out beyond the stars  
 We were amazed to find, their beauty and their worth  
 So we will protect our friends, and every universe

Every universe, yeah we will protect them!

( G Eb C D )  
 I will fight for the ones made by me  
 So they'll live in peace and harmony  
 I will fight in the name of justice  
 And everything that I believe in!  
 I will fight for all things that they dream of  
 Their hopes will not be crushed by any foe  
 I will fight against everything!  
 That wants to destroy them and all of their homes  
 Yeah, the odds are against us  
 This won't be easy but we're not gonna do it alone!  
 We are the star senses, we'll always save the day!  
 And if you think we can't  
 We'll, always find a way!  
 That's why every universe, believes in  
 Ink, blueberry, dream, and frisk the human!
