tom:

Eb (forma dos acordes no tom de **C**)

Capostrate na 3ª casa

[Primeira Parte]

C
We used to stay up 'til the early morning
Am
Talking 'bout the world like we knew everything
F
But somewhere along the way, I lost you
G
You faded out, like you always do
C
I tried to fix the cracks, I tried to fight
Am
But you were only there when it felt right
F
Now I'm standing on my own two feet
G
And I'm learning that I'm better without the lies you keep

[Pré-Refrão]

Am
I used to think you were the one I'd need
F
But now I see it clearly: you were never there for me

[Refrão]

C
I'm better off without you
G
The weight is gone, and I'm feeling

Brand new
Am
I found my strength in the silence you
Left
F
No more pretending I'm something

I'm not for your love to accept
C
I thought I'd miss the way you'd smile
G
But now I know I've been walking miles
Am
I'm stronger now, and it's crystal clear
F
I'm better off without you here

[Segunda Parte]

C
I gave you all my time, all my trust
Am
But you took it all and turned it to dust
F
You'd disappear when things got tough
G
Leaving me wondering if I was enough
C
But I won't keep chasing what's already

Gone
Am
I'll move on, I'll be strong
F
I'm letting go of all the doubts
G
And now I'm walking away from what

We talked about

[Pré-Refrão]

Am

I used to think you were my home
F
But now I see I'm better off alone

[Refrão]

C
I'm better off without you
G
The weight is gone, and I'm feeling

Brand new
Am
I found my strength in the silence you
Left
F
No more pretending I'm something I'm not

For your love to accept
C
I thought I'd miss the way you'd smile
G
But now I know I've been walking miles
Am
I'm stronger now, and it's crystal clear
F
I'm better off without you here

[Ponte]

Am
I thought I'd break, I thought I'd fall
F
But now I'm standing tall
C
With every step, I find my way
G
I won't look back, no more today
Am
You were just a chapter in my book
F
And I'm finally ready to close that book

[Refrão]

C
I'm better off without you
G
The weight is gone, and I'm feeling

Brand new
Am
I found my strength in the silence you

Left
F
No more pretending I'm something I'm not

For your love to accept
C
I thought I'd miss the way you'd smile
G
But now I know I've been walking miles
Am
I'm stronger now, and it's crystal clear
F
I'm better off without you here

[Final]

C
So here's to me, and here's to my heart
G
Finally free, and ready to start
Am
I'm better off without you?
F
It's the truth I never knew
