

Carlie Hanson - Toxins

tom:

A (forma dos acordes no tom de G)

Capostrate na 2ª casa

I miss my mom but I don't call her enough
 But I still got time to get higher than the sun though
 I go to parties but don't know how to talk, how to talk
 But you either

I overthink until I can't open up
 So we just lay here fading into our thoughts, oh
 You say you're okay but I know that you're not, no, you're not, oh
 But me either

I see you two, three times a week
 Ain't got no money in my jeans
 So help me out, I need to breathe
 Help me out, I need to breathe
 Take a ride inside your whip
 I pass the aux, you pass the spliff
 We can escape into the bliss
 Escape into the bliss

I don't need nothing but you and your toxins
 I don't need nothing but you and your toxins
 Toxins, toxins

I know my iPhone might be bad for my health
 But when it's dying, feel like dying myself
 Am I insane or just like everyone else?
 I grow numb, I grow numb

I don't know where it comes from
 It happens two, three times a week
 Ain't got no money in my jeans
 So help me out, I need to breathe
 Help me out, I need to breathe
 Take a ride inside your whip
 I pass the aux, you pass the spliff
 We can escape into the bliss
 We can escape into the bliss

I don't need nothing but you and your toxins
 I don't need nothing but you and your toxins
 Your toxins

Toxins, toxins
 Yeah you, just you and, just you
 Toxins, toxins

Two, three times a week
 No money in my jeans
 (No money in my jeans)
 Take a ride inside your whip
 I pass the aux, you pass the
 I pass the aux, you pass the spliff

I don't need nothing but you and your toxins
 I don't need nothing but you and your toxins
 Toxins, toxins
 Baby, no baby, no uh oh
 I know you do too
 Toxins, toxins
