

# Carlinhos Brown - Amor Raro

tom:

A

Vem chegando com o vento

Uma história de amor

Multiplicando a esperança

Afastando toda dor

Há tanta beleza em quem pode

Num sorriso compreender

Em cada dia há uma chance

Desse mundo surpreender

Pro amor raro, cada passo importa

Nesse amor raro sigo caminhando

E eu nunca paro

Tenho pressa de viver

Pro amor raro, cada passo importa

Nesse amor raro sigo caminhando

E eu nunca paro

Quando caminho com você

Com esse amor dono de nós

Os limites não limitam e a gente vence

Tão raro é ter você

É o amor que quero amor

E com você serei melhor

Aprendendo como é ser diferente

E ser igual, contente

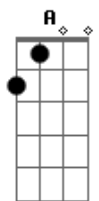

Raro esse amor da gente

Raro (raro)

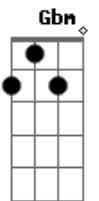

Raro (raro), raro

Amor raro
