Tom: **Ab**  
Intro: **Fm**

**Bbm**  
And do  
And do

**Fm**  
The moment I saw you  
The very minute we met  
Such a wonderful feeling  
I will never forget

**Bbm**  
You walked into my life  
Now everything is fine

**Fm**  
I loved you right away  
I loved you right away

**Bbm**  
Forever you and I  
Until the end of time

**Fm**  
I loved you right away  
I loved you right away

**Fm**  
Sweeter & sweeter  
Every day that goes by  
Such a love that's between us  
And it never will die

**Bbm**  
You walked into my life  
Now everything is fine

**Fm**  
I loved you right away  
I loved you right away

**Bbm**  
Forever you and I  
Until the end of time

**Fm**  
I loved you right away  
I loved you right away

**Bbm**  
Sweeter & sweeter  
Sweeter & sweeter  
Sweeter & sweeter

**Fm**  
Sweeter & sweeter
