

# Carlos Alberto - Lado a Lado

Tom: A

**Gbm** **Db7**  
Lado a lado meu amor mas tão longe  
**Bm** **Db7** **Gbm**  
Como é grande a distância entre nós  
**Gb7** **Bm**  
O que foi que se passou entre nós os dois  
que nos separou...

**E7** **E**  
Por que foi que os meus ideais morreram assim?  
**Db7**  
dentro de mim  
**Gbm**  
ombro a ombro  
tanta vez mas tão longe  
**Bm** **Db7** **Gbm**

Indiferença entre nós quem diria

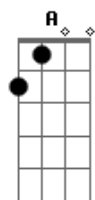

**F7**  
Custa a crer que tanto amor  
**Bm**  
Tão profundo amor tenha acabado  
**Gbm** **Dbm** **Gbm**  
E nos ambos sem amor lado a lado

**Bm** **Gbm**  
Fomos no passado um só destino  
**Bm** **Gbm**  
Somos um amor desencontrado  
**E7** **Gbm**  
doidos que nós somos loucos que nós fomos  
**Bm** **Db7**  
Não sei qual é de nós mais desgraçado

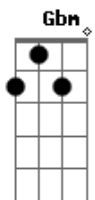

Lado a lado ....

Final: ( **Bm** **Gbm** )
