

Carlos Bona - Louvor a São Francisco de Assis (Viva Meu São Francisco)

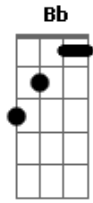

Tom: Bb

Viva meu São Francisco Nosso Santo padroeiro
 Viva meu São Francisco Nosso Santo padroeiro
 Humildade e muita paz, Dirigiam seu coração
 Ele deixou a burguesia Pra cumprir sua missão
 Destemido e com fé Com os pobres se juntou

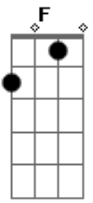

0 errante de Assis Fez do céu, seu cobertor

Viva meu São Francisco Nosso Santo padroeiro
 Viva meu São Francisco Nosso Santo padroeiro
 Pobrezinho de Assis Bem assim era chamado
 O poeta da natureza Por todos era amado
 Sempre alegre tinha o sol E a lua do seu lado
 Instrumento do amor Que por Deus foi revelado
