tom:

Intro: F Dm Bb C

Here I come, I won't be long

Just to ask what you should know

No hope in my soul  
There's no feeling, this world is too cold

Here I lie and watch the stars

Feel I'm dreaming all my life

Here's the love I forgot

My heart's dancing glow

Something is wrong, I don't belong

Bb  
Oh, no

Dm G  
Nobody knows I'm here, yeah, yeah, yeah

Bb  
Nobody's talking to me

C Bb  
And no one can set me free

Dm G  
Nobody knows I'm here, yeah, yeah, yeah

Bb  
Someday the stars over me

C F  
Will fill what I need to feel
