

Carlos Eustáquio - Everything I Need

tom:

Gb (forma dos acordes no tom de Eb)

Capostrate na 3ª casa

I've been told that Your word is all I need, yeah
 I've been told that Your voice is all I need to hear
 I've been told that Your face is so much brighter
 Than the sun, or everything that I have seen
 But now when I meet You
 I realize You're much more
 Than everything that I have heard
 And now when I see you
 My sight gets wide and my heart is all Yours
 You're fully human fully God, you're everything I need
 C - F
 I've been told that Your grace is everlasting
 I've been told that Your love is so surpassing
 I've been told that I should fear Your justice

'Cause You are so Holy and Holy, yeah
 But now when I meet You
 I realize You're much more
 Than everything that I have heard
 And now when I see you
 My sight gets wide and my heart is filled with Your love
 You're fully human fully God, you're everything I need
 But now when I meet You
 I realize You're much more
 Than everything that I have heard
 And now when I see you
 My sight gets wide and my heart is all Yours
 You're fully human fully God, you're everything that I need
 You're everything I ever need
 You're everything I need
 From now, through all eternity
