

Carlos Gonzaga - Ventura Distante

Tom: E

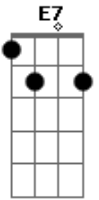

Sublime lembrança
 Que enfeita minh'alma
 Ventura distante
 De tempos atrás
 Já sem esperança
 Pergunto a mim mesmo
 Se a felicidade
 Não virá jamais
 Hoje que uma sombra
 De tristeza invade
 Minhas noites tristes

Nesta solidão
 Suspirando evoco
 Dias tão felizes
 Aquela alegria
 Do meu coração
 Porém, feliz instante
 Vejo na saudade
 Tua boca em flor
 Revive a ilusão distante
 Da felicidade
 Do meu grande amor
