

Carlos Gonzaga - Ventura Distante

Tom: E

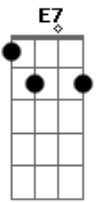

Sublime lembrança
Que enfeita minh'alma
Ventura distante
De tempos atrás
Já sem esperança
Pergunto a mim mesmo
Se a felicidade
Não virá jamais
Hoje que uma sombra
De tristeza invade
Minhas noites tristes

Nesta solidão
Suspirando evoco
Dias tão felizes
Aquele alegria
Do meu coração
Porém, feliz instante
Vejo na saudade
Tua boca em flor
Revive a ilusão distante
Da felicidade
Do meu grande amor
