

# Carlos Sider - Lá Estarei

Tom: F

Intro: F : Bb : F : Bb :

Longe posso avistar minha pátria de além  
 Que já desce do céu com a glória de Deus  
 Brilha como um cristal, resplandesce no céu  
 Santa para o Senhor, a cidade eternal  
 Lá estarei  
 Quando a glória meu Jesus manifestar  
 Quando o som de Sua trombeta se escutar  
 Lá estarei com meu Senhor

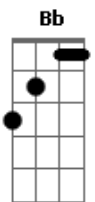

Não mais dor haverá, tudo em luz se fará  
 Toda treva e dor levará o Senhor  
 Face a face eu verei a Jesus, ao meu rei  
 E por dias sem fim, goza rei paz em fim

Lá estarei  
 Santo e limpo, em novo corpo estarei  
 Servo eterno de Jesus, meu grande rei  
 Lá estarei pra meu Senhor

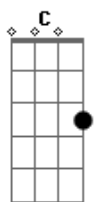

PIANO

Lá estarei  
 E lá existe um rio de água viva  
 Que nasce junto ao trono de Jesus, de Deus, o pai  
 Nem sol nem lua existirá  
 A luz de Deus sim brilhará  
 E o Senhor pra sempre reinará  
 Lá estarei  
 Quando a glória meu Jesus manifestar  
 Quando o som de Sua trombeta se escutar  
 Lá estarei com meu Senhor
