

# Carlos Sider - Minha História

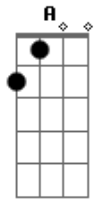

Tom: A

A E Gbm7 F  
 Olho meus dias passados  
A B E E  
 Tantas lembranças no ar  
A D A  
 Não fosse a tua presença  
Gbm7 Bm7 A D B E  
 Mudando a vida, mudando a história  
  
 Tudo em mim se recorda  
 Do que já fui e hoje sou  
 E foi a tua presença

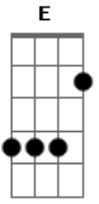

Mudando a vida, mudando a história

D B B E  
 E o que era triste, vazio,  
Db7 F0 Gbm7 Gbm7 D A  
 Se fez alegria, se fez vida em mim  
Bm7 Bm7 E  
 Nova razão dos meus dias  
G D F E E  
 Motivo do meu mais sincero louvor  
 E quanto aos tempos futuros  
 É descansar, confiar  
 E te entregar o meu rumo  
 Todos meus dias, minha história
