

Carlos Sider - Minha História

Tom: A

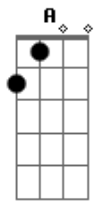

Olho meus dias passados
 Tantas lembranças no ar
 Não fosse a tua presença
 Mudando a vida, mudando a história

Tudo em mim se recorda
 Do que já fui e hoje sou
 E foi a tua presença

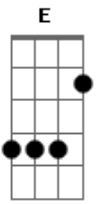

Mudando a vida, mudando a história

E o que era triste, vazio,
 Se fez alegria, se fez vida em mim
 Nova razão dos meus dias
 Motivo do meu mais sincero louvor
 É quanto aos tempos futuros
 É descansar, confiar
 E te entregar o meu rumo
 Todos meus dias, minha história
