

Carlos Silva - Cantiga Pro Morro

Tom: A

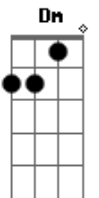

m La no morro
 Entre lama e ladeiras ^{Dm}
 Desenhos da enxurrada ^{Em}
 Que cortava todo chão ^{Am (Em)}
 Os meninos ^{Am}
 Bem juntinho ali brincavam ^{Dm}
 E como a chuva ^{Em}
 Os seus sonhos transbordavam ^{Am (A7)}
 Nas enchentes da ilusão ^{Dm}
 Num simples teto ^{Em Am}
 Seu abrigo favorável ^{B7}
 Um cantinho confortável ^{Em}
 Tendo a luz no cotoco de uma ^{Am (A7)}
 vela ^{Dm}
 Entre lamentos ^E
 E samba ^{Am}
 Assim era o morro ^{B7}
 No alto a pedir socorro ^{Em Am}

Batizado de favela
 Em risos largos ^{Am}
 As crianças fabulavam ^{Dm}
 Suas historias contavam ^G
 Onde o barraco era o abrigo ^C
 Era o retrato ^{Em}
 Da miséria em crueldade ^{Am}
 Admirando la de cima a cidade ^{B7}
 Onde o sonhar era seu maior castigo ^{Em Am}
 Mas no meu sangue ^{Am}
 Trago da ancestralidade ^{Dm}
 Toda essa dificuldade ^G
 Desde tempos tão passados ^C
 Onde o começo ^{Em}
 Se parece com o presente ^{Am}
 Sendo que o morro a favela e nossa gente ^{B7}
 Ainda são por aqui discriminados ^{Em Am}
